

**San Sebastian Civic Association
PO Box 160572
Altamonte Springs, FL 32716**

It is time once again to support your Homeowners' Association with your annual dues for 2010. Your support makes it possible to complete the many projects your board has planned. We need to hire part time help to maintain the sprinkler system and to improve the entrances.

The dues remain the same as last year, \$45.00. Please remit your payment upon receipt of this invoice. We would like to receive all payments by June 30th.

If you are not the owner, please pass this along to the owner and encourage him or her to support your Association; it is for their benefit as well.

If you have any suggestions for improvements, or anything else you would like to comment on, please enclose a note with your payment.

Thank you for your support!
